Important Candidate Guidance:

1. Only items with an asterisk are **required** to be uploaded. The other items should only be included as may be relevant to work you have done and enhance reviewer's understanding of your performance and achievements. Not all faculty depending on discipline and/or stage of career may have such work to evidence.

2. **No peer and student opinionnaires from the Spring 2020 semester are to be included.** Your most recent peer evaluations and student opinionnaires from **all** classes taught in that semester are required (typically Fall 2019). Evaluations from winter and summer classes may not be included. Additional semester peer evaluations and student opinnionaires from any fall or spring may also be included to provide a better understanding of teaching.

3. Regarding Department, College, and University Service, specify whatever levels of service in which you have been involved. Candidates may or may not have engaged in service at all three levels Department, College, and University.

4. If optional URL links are provided, they must include HTTP:// or HTTPS:// as a prefix to work properly.
